ACCESSORIES
INCLUDED

ADVANCED QUILTING & SEWING

Upgrade Your Quilt Making

- **Compact MuVit Digital Dual Feed**

More compact and easier to use than before, with better visibility and better functioning with thicker materials, the Compact MuVit Dual Feed stitches forward and backward for unprecedented versatility and comes with various stitches chosen specifically to use with the Dual Feed.

- **Quilters Bundle Included**

A list of accessories called the Quilters Bundle Value is included with every purchase of the BQ2500. Containing over \$340 (MSRP) worth of attachments and add-ons, this Bundle consists of a Wide Table, an Open Toe Foot for MuVit, a Stitch in the Ditch Dual Feed Foot, and a 2-Spool Thread Stand.

- **Pivot Function**

The presser foot automatically lifts while the needle remains in the fabric for fast and easy cornering and fabric manipulation.

- **Automatic Height Adjuster (AHA)**

The AHA feature helps ensure consistent stitch length on all fabric thicknesses by keeping the presser-foot pressure constant regardless of fabric thickness, producing more consistent stitch quality across uneven surfaces.

- **Built-in Stitches, Buttonhole Styles, and Fonts**

759 utility and decorative stitches (729 built-in, 30 on CD), 14 one-step auto-size buttonhole styles, and 5 fonts for sewing.

- **My Custom Stitch**

Want to create your own stitches and add some personalization? With the My Custom Stitch feature, you can create a stitch, save it, and then stitch it.

- **Sideways and Directional Sewing**

Perfect for trendy decorative mending, the machine sews straight and zigzag stitches not only forward and backward, but sideways. In addition to sideways sewing, the machine has the capability to stitch diagonally when using a straight stitch.

- **Free-Motion Quilting and Thread Painting**

Drop the feed dogs and install the included free-motion foot to guide the fabric freely by hand. Whether you're quilting a simple motif or thread painting an elaborate design, the machine is ready to go.

- **LED Lighting and Spacious Work Area**

With the enhanced LED lighting on the generous 11.25" workspace, you can brighten your fabric with a 10-inch glow around the needle.

- **Color LCD Touchscreen Display**

The large 7" display controls the machine via intuitive on-screen icons and allows viewing of on-screen tutorials.

Basic Features

LCD Display Size Inches	Diagonal 7"
